

PRESS RELEASE

Clinical Resources LLC Achieves Certification for Health Care Staffing Services (HCSS)

Atlanta, Georgia - December 16, 2010

Clinical Resources LLC has achieved the Gold Seal of Approval™ for health care staffing services certification from The Joint Commission.

Clinical Resources underwent an on-site review of its compliance with national standards that assess how staffing firms determine the qualifications and competency of their staff, how they place their staff, and how they monitor staff's performance.

"Health care organizations that contract with Clinical Resources can look to Joint Commission certification as an assurance that Clinical Resources demonstrates a commitment to providing and continuously improving quality services," says Michele Sacco, M.S., executive director, Health Care Staffing Services Certification, The Joint Commission.

The Joint Commission's certification program, launched in October 2004, offers an independent, comprehensive evaluation of a staffing firm's abilities to provide competent staffing services. "Certification recognizes Clinical Resources' dedication to providing healthcare professionals that are qualified to provide safe, high-quality care to residents and patients," says Jennifer Scully, President and CEO. "We're proud to receive The Joint Commission's Gold Seal of Approval™."

"This is an important milestone for Clinical Resources as we continue to maintain our goal of ***Providing Consistent and Predictable Results*** to the clients and candidates we serve, all of which we believe are our customers", states Jennifer Scully, President and CEO, Clinical Resources LLC.

So what does this mean to our customers?

Health Care Staffing Services (HCSS) Certification from The Joint Commission helps differentiate healthcare staffing companies by ensuring appropriate and proper procedures are in place for

credentialing personnel. The Joint Commission Certificate of Distinction assures customers, staff and other stakeholders that the staffing firm is fully meeting the health care quality and safety needs for which providers are responsible.

The Joint Commission's Health Care Staffing Services (HCSS) Certification Program provides an independent, comprehensive evaluation of a staffing firm's ability to provide qualified and competent staffing services.

Benefits of certification

Health care staffing firms seek certification because it:

- Demonstrates commitment to a higher standard of service
- Provides a framework for organizational structure and management
- Provides a competitive edge in the marketplace
- Enhances staff recruitment and development
- Is recognized by insurers and other third parties
