

**For Immediate Release**

## **Clinical Resources CEO Named 2013**

### **“Business Person of the Year” by Metro Atlanta Chamber**

*Jennifer L. Scully Recognized as an Emerging Entrepreneur*

**ATLANTA – June 06, 2013** – Clinical Resources, a fast-growing healthcare staffing and executive search firm headquartered in Atlanta, today announced company founder and CEO, Jennifer L. Scully, was named 2013 “Business Person of the Year” by the Metro Atlanta Chamber for her accomplishments as an **Emerging Entrepreneur**.

Clinical Resources was recognized as an “**EMERGING ENTREPRENEUR**” by the Metro Atlanta Chamber and the *Atlanta Business Chronicle* as one of the top start-ups and entrepreneurs in metro Atlanta at the Business Person of the Year awards. This year's celebration recognizes entrepreneurs from three different stages of business - an “**Experienced Entrepreneur**,” with seven or more years of experience; an “**Emerging Entrepreneur**,” with three to seven years of experience; and an “**Early Stage Entrepreneur**,” with one to three years' experience. Each year the Metro Atlanta Chamber and the Atlanta Business Chronicle honor outstanding business professionals from around metro Atlanta through the Business Person of the Year Awards. This year's finalists and winners were recognized at the Business Person of the Year Awards luncheon in June.

“This award offers a great opportunity for me and my team to reflect on everything we've accomplished over the past couple of years,” said Scully. “We thank the Metro Atlanta Chamber and this year's selection committee for everything they do to support entrepreneurship in Atlanta.”

#### **About Clinical Resources LLC**

**Clinical Resources LLC** is a healthcare staffing firm specializing in the growing senior care market. Clinical Resources is dedicated to serving the growing aging population while addressing the escalating nurse staffing shortage by placing experienced nurses and healthcare professionals in permanent, temporary, and interim positions nationwide in hospitals, skilled nursing and assisted living facilities, nationwide. Owned and operated by nurses and healthcare professionals, Clinical Resources continues to expand its customer base among health payors, pharmaceutical companies, and health information technology companies. For 2013, the company will continue to build critical mass in its service areas and expand its presence in large corporations providing occupational health nurses as well

as pursuing government contracting opportunities.
