RESPONSIVENESS

Leveraging a database of **over 800,000 candidates** enables Clinical Resources to deliver qualified candidates fast to help you keep your operations running smoothly. For interim placements, **it takes 5 days on average to fill a position** from the time of receiving a job order including weekends. And **we fill 99.24% of our interim orders, vs. a national average of less than 52%.**

COMMITTED TO MANAGING YOUR EXPENSES

For interim staff, Clinical Resources helps manage expenses by limiting travel home to once per month instead of every weekend. In addition to **saving money on travel costs, consultants are available to fulfill client needs 24/7.** We also have our own professional in-house travel agency, and we set **specific goals each year for reducing costs** for car rentals, hotels and air fare for our clients. In 2019 we were able to beat our targets by an average of 9.35%.
